

Dolls and Cars Donation Drive 2017

Since 1981 the Diocese of Orlando has adopted the Diocese of San Juan de La Maguana as their mission outreach group. During these years the Orlando Diocese has sponsored many development programs in the Dominican Republic. Since 2001 they have been engaged in educational development for the children of the remote mountainous areas within the Diocese of San Juan de la Maguana.

The Mission Office is collecting **Dolls** and **Cars** for the students of our sister diocese catholic schools. Especially dolls that can be dressed up. NO Barbie dolls or battery operated toys please.

**Donations can be dropped off in the
MCC front office, theology classes, and Sullivan Center.**
